ABOUT OUR
thermal environments

For thousands of years, people have found that moving water and temperature variations provide relief for muscle and joint problems, speed toxins from the body and promote deep relaxation. Unwind before a massage, facial or body treatment, relax after a class or workout, rejuvenate before a big night, or simply enjoy this unique, healthy environment at your leisure. (Bathing suit not required – environments are single-sex. Robe and slippers are provided.)

REVITALIZING RITUAL

80 minutes

A luscious six-part massage body ritual combines the therapeutic properties of flower oils and fruit essences with rich minerals from the earth and sea to bring your body into balance and harmony. First, be purified with yuzu mimosa sea algae, deeply scrubbed with warming gingergrass, polished with nutrient-rich rice bran and hydrated with rose camellia water. Next, quench your whole body with wild lime silk oil and a shiatsu massage to energize and restore. Complete your journey with a plum wine cream to seal in the healing benefits.

DETOXIFYING RITUAL

80 minutes

Retreat into a ritual of steam and deep detox through an intense therapeutic transformation in this six-step healing massage ritual. Be cleansed with Moroccan mint tea and silt, vigorously scrubbed with a blend of coffee, olive stones and fresh lemons, and wrapped in rich rasul clay to draw deep impurities out of the body. Recharge with quince and orange blossoms and be warmed by a Turkish massage using the curative essences of cardamom, jasmine, bergamot, amber and clove. Finally, your skin will be coated with shea butter and figs to protect, heal and restore.

ANTI-AGING BODY RITUAL

Return to your natural essence and feel the exhilaration of being alive in a powerful six-part ritual based on Finnish traditions. Be invigorated and purified by the spirit of the icy sea, northern light and physical elation. Then your lymphatic system is stimulated by a mushroom and phytonutrient wrap followed by an oxygenated ionizing mist. Your treatment finishes with a vigorous, releasing trigger-point/deep-tissue massage using Arctic berry extracts and oils of cypress and birch to increase circulation and vitality.

WORLD OF RELIEF BODY BUFF

OHANA CIRCULATION POLISH

50 minutes

Rough, dry skin is removed and circulation throughout the body is stimulated by a powerful exfoliation with crushed bamboo, bamboo sap and oils of ginger and fir. End with your choice of a warming rubdown with intensely moisturizing wild lime oil, or a cooling application of a protective cream made with plum blossoms and silk.

BODY WRAPS

Experience the warm, muscle-melting embrace of a body wrap.

ORGANIC SEAWEED LEAF WRAP

ORGANIC SEAWEED PEAT WRAP

50 minutes

Peat wraps have long been used in Eastern Europe to treat a variety of skin and rheumatic conditions. This amazing wrap, which mixes organic seaweed extracts with micronized peat, offers potent detoxification because it's richly infused with trace elements, vitamins, carbohydrates, polyphenols, lipids, and, especially, humic acid. Research has shown that humic acid has an astringent effect and helps drain toxic substances from the body.

ORGANIC LIQUID SEAWEED WRAP

50 minutes

If you're results-driven, this is the wrap for you. We soak organic muslin in pure seaweed extracts, cold-pressed within one hour of harvesting on the wild northwest coast of Ireland. This wrap delivers immediate and noticeable plumping and toning of the skin, and is a serious detoxifier, metabolism stimulant and natural anti-aging boost.

EUPHORIC DETOX WRAP

50 minutes

This purifying wrap uses pure essence of rose – loaded with vitamin C and other natural antioxidants – and natural rasul clay to bind with impurities, leaving skin supple, clean and glowing. A touch of moisturizing tangerine fig cream seals the deal.

massage & BODY WORK

Massage feels incredibly good, which is one of the many reasons it's so good for you – when the body lets go, it heals. And when the body is comfortable, mind and spirit settle. Experience the power of informed, caring touch.

MASSAGE

HOW TO RECEIVE A MASSAGE

Take time

Give yourself plenty of time before your massage so you can enjoy the steam room. Warm muscles benefit most from body work.

Shower

A warm shower just before your massage is relaxing and washes away any salts, minerals or chemicals that could clog pores when mixed with massage oils. Then put on your robe and meet your therapist.

(Un)dress the part

Unless the service description specifies that your massage will be received clothed, undress completely and wear just a robe to your massage. You will be able to take your robe off and cover yourself in privacy, and you will be draped with a sheet throughout the service. For services that are received clothed, shorts and a T-shirt are ideal.

Talk with your therapist

Before your massage, tell your therapist which areas you would like to focus on, and any areas to be avoided. During your massage, let your therapist know if you feel any discomfort. Communication is the key to getting the massage you want.

Relax

Close your eyes and allow your mind and body to enjoy the quiet. Focus on how you feel. Breathe deeply and let tension slip away with each breath. Remember, this time is for you.

CANYON RANCH MASSAGE

50/80 minutes

Relieve muscle tension and promote relaxation with our full-body massage. Indulgent and utterly relaxing, it stimulates circulation and soothes tight muscles. Customized so you enjoy the body work that's right for you.

CANYON STONE MASSAGE

80 minutes

The healing power of the earth is in your therapist's hands with smooth, rounded basalt stones that are gently heated. The weight and radiant heat of the stones, combined with a calming essential oil, penetrates muscle tissue and induces deep relaxation without overheating, persuading even the tightest muscles to let go completely.

AROMATHERAPY MASSAGE

50/80 minutes

Enjoy an all-natural, sense-seducing escape from the everyday world. Nourish the skin, eliminate toxins and strengthen the immune system while restoring equilibrium to mind, body and spirit. This fragrant, full-body treatment is the ultimate healthy pleasure. Just breathe.

TENSION-ZONE MASSAGE

50 minutes

Carrying the weight of the world on your shoulders? Shrug it off with this concentrated de-stresser. A full palette of sophisticated touch techniques reduces tension where it lives – your head, neck, shoulders and back. Stand taller, sleep better and say goodbye to nagging headaches.

AROMATHERAPY MUSCLE SOOTHER

PERFORMANCE ORTHOTICS ASSESSMENT

25 minutes

Your feet are subject to enormous forces as you run, hike, dance, play – even just walk – so small abnormalities can cause big problems: Ninety percent of all foot pain and a great deal of knee, hip and back pain is caused by abnormal biomechanics of the feet. This quick, precise, computerized assessment of the way you walk is used to make recommendations for orthotics – inserts for shoes – that correct these problems simply and effectively, preventing further wear and tear, and, in many cases, greatly reducing pain. (Cost of orthotic inserts is in addition to service fee.)

Note: This service is not appropriate for evaluating prescription orthotics you are already using.
